

## ALBRIGHT COLLEGE NORTH HALL

Located on N. 13th Street in Reading, Albright's North Hall dormitory meets an important need for the college's growing student body. The building contains a combination of single and double rooms, with shared bathrooms and laundry facilities in each suite. On the second floor, a large meeting room provides an area for check-ins and student recreational space. The site also contains ample parking for students with vehicles.

The building is constructed of concrete plank floor and roof, with brick veneer.
